

"You learn about the past. History Henry helps us to learn about the past."

### What is History?

The children explained about a bear called History Henry who comes out whenever they have history lessons/activities to help them to remember they are learning about the past.

### What have you been learning?

"We learnt about toys. In the past they had no electronics and no wires!"

The children were full of knowledge about toys, talking about the different materials old and new toys were made from and how their parents and grandparents toys were different from their own.

"We do history in our challenges sometimes too."

### Retrieval Practice

The class learnt about toys from the past in Autumn 1 and have carried out retrieval practice activities in their continuous provision during Spring 1.

Topic vocabulary is displayed on the class wall during topics with books and other resources able for the children to access.

"We had books about toys beside the window in class."

### Resources

"I like it when History Henry whispers secrets about the past to Miss Graham, then we find out about it too."

### What do you enjoy in lessons?

The children spoke enthusiastically about their lessons and said they enjoyed everything they did. They had lots of hands on learning experiences.

### What was your favourite lesson?

"I loved designing a toy for the future."

"I liked sorting things from now and in the past."

The children used their books to show me their favourite lesson, speak confidently about them and share why they enjoyed them.

### History Curriculum

#### Spring Term

#### Pupil Voice - Book Talk

#### Year 1
