

Children were asked how they would describe PE and what it means.

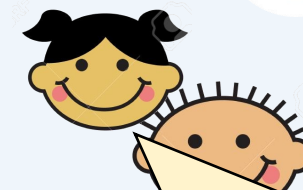

### What is PE?

PE means physical education. It is all about having fun and learning new skills in sports.

### How could we improve?

Children were asked how we could improve PE at Larkspur and what they would change about PE if they could.

More equipment would make the lessons better.

At first I wasn't confident in dance but I made a dance by the end of it.

### What are you proud of in PE?

I enjoy PE, it is my favourite subject. Our PE lessons are always made fun. We get the chance to do lots of different sports.

### Do you enjoy PE?

Children discussed whether they enjoyed PE and what they particularly enjoyed about PE at Larkspur.

I am good at defending and tackling. My teacher sometimes asks me to demonstrate a skill. We get extra practice on the skills we need to improve.

Do you know your strengths and weaknesses? How?

### Importance of physical activity

It helps you to be fit and healthy. I go to sports clubs and have met new friends through them.

### After school clubs

What after school clubs would you like to see at Larkspur?

- Football
- Dodgeball
- Cricket
- Archery
- Dance
