

Larkspur Community Primary School

Sports Premium Planned Expenditure 2024-2025

Allocation: £17,000				
Activity/Equipment	Cost	Duration	Weeks	Impact and Outcomes
Active Future – lunchtime club and SEN/Less Active/Additional coaching	£4100	1 year	Full year	‘Less active’ children are accessing fun, high quality PE lessons and taking part in physical activity in small groups. Increases their confidence and participation levels in physical activity and PE. Children were prepared for events and able to compete to a high standard. Lunchtimes were more active. Ensure 30 minutes of extra physical activity is continued every day
Gateshead School Sports Partnership	£2650	3 years	Full year	Sporting competitions offered and attended. Chance to network with other PE leaders to share ideas and opportunity for children of all abilities and backgrounds to take part in different sporting events.
Equipment	£1000	1 year	Full year	Purchasing new and improved equipment will allow children to benefit from the using a variety of different equipment necessary for contributing to PE lessons and new key skills being taught.
Coach travel to events/competitions	£4000	1 year	Full year	Transport costs for the hire of coaches to transport full classes to sports competitions and events.
External coaches	£1250	1 year	Full year	Coaches to be used to support staff with units/skills they are not confident in or to allow children to experience new sports to engage pupils in physical activity and sport.
Staff CPD/Training Courses/Supply cover	£700	1 year	Full year	Staff provided with relevant training and CPD training to improve & develop confidence when teaching PE
Purchase football kits for children	£800			Children will feel proud to represent the school. Opportunities for boys and girls to take part in football events and leagues.
After School Clubs	£2500	1 year	Full year	Use pupil voice to find pupils’ interest and offer clubs to cater for all children. Aim for 70% of pupils to attend and after school club.
