Acorn Demographics School Profile

Larkspur Community Primary School (3902051)

Academic Year:- 2025-2026 Version:- 1.0 Published:- 16/4/2026

Key Uses

- Self evaluation and School Improvement Planning
- Inspection data evidence
- Evidence to demonstrate the social context of the school cohort.

Key Audiences

- Infant, Junior, Primary, Secondary and Special schools
- Senior leadership team
- Teachers
- Governors
- LA Link Inspectors

This profile is aimed at Infant, Junior, Primary, Secondary and Special schools.

The profile shows the breakdown of the school cohort by the Acorn socio-demographic classification system.

Pupils are matched to the Acorn data by their School Census postcode. Hence these analyses are based on where the pupil lives not where the school is situated.

All tables and charts show the Acorn classifications that are present within the school. The Acorn Classifications have recently changed.

Categories 1-6, Groups 1-21 & Types 1-61 are arranged in order of deprivation with the lowest deprivation at the top of the table to the highest deprivation at the bottom.

The remaining Acorn definitions (Category 7, Group 22, Types 62-65) are reserved for other kinds of postcode, primarily communal population and postcodes with no resident population and are not hierarchical.

Further information on the Acorn classification and national distributions can be found on the Internet at http://acorn.caci.co.uk/

Data Notes For This Issue:-
The School Cohort details are obtained from 2026 Spring Term School Census data.
