This profile is aimed at Infant, Junior, Primary, Secondary and Special schools. The profile shows summary historical contextual trends from various data-sources.

Data Notes For This Issue:-

The School Cohort details are obtained from School Spring Census data.

School Attendance & Exclusions data are obtained from DfE Statistical releases (The DfE sometimes suppress data to protect pupil confidentiality).

At present the 2024-2025 Attendance figures are for Autumn & Spring terms only.

With regards to Exclusion data, the report at present does not include Exclusions for 2024-2025.

School Financial information has been obtained from Gateshead Finance.

Reports will be updated when the DfE produce further documentation.

* Reports are now published on the **CurriculumHub**

Key Dates

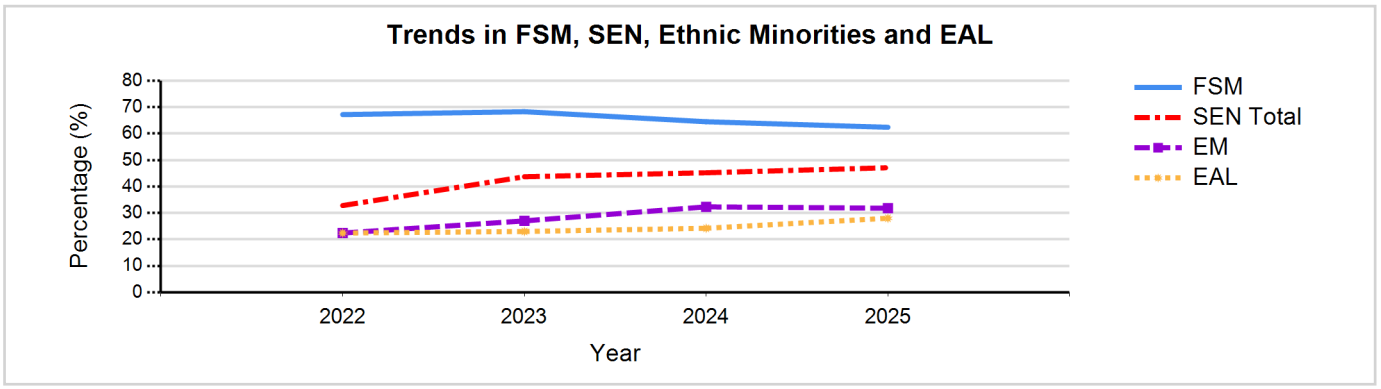

- *Version 1 (November)*
- *Version 2 (possible - depending upon dates(s) of DfE publications)*
